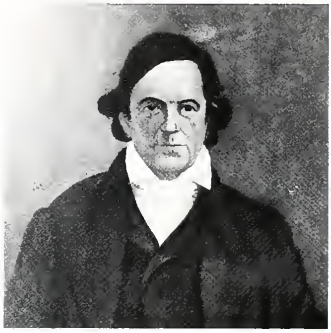
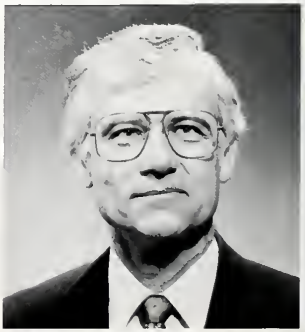
The 10th Presidential

Inauguration





With continued success comes change and new ideas. Along with the face lifts of Carnegie Hall and Honaker Field came a new president to wrap up Maryville's "total package." Dr. Gerald W. Gibson's inauguration as the tenth president of Maryville College was held on October 23, 1993. An accomplished chemistry professor and former vice president and dean from Roanoke College in Virginia, Dr. Gibson is originally a South Carolina native where he earned an undergraduate degree in Chemistry at Wofford College.

To further quench his "thirst for knowledge," he later completed his Ph.D. at the University of Tennessee. In connection with Dr. Gibson's outstanding professional achievements, he is also a proud father and husband to a wonderful wife and three children. Without question, Dr. Gibson is an exceptional addition to the Maryville family. "I give thanks for the great honor of being chosen to serve this unique college at this point in its history." Those words were distinct symbols of gratitude expressed by the man that will assist Maryville in its struggle to continue excellence for years to come.

Dedication

The dedication of Humphrey's Court marked the beginning of Maryville College's 175th anniversary. Humphrey's Court is the landscaped area between Anderson Hall, Fayerweather Hall, and the CCM that was refurbished and replanted, providing beauty for students and other passers by to enjoy. Funding for this project was donated by Diane Humphreys-Barlow, a 1970 MC graduate and current member of the Board of Directors, in honor of her parents.

Diane's parents, Bernice and Edward Humphreys Sr. were actively involved with Maryville College. Bernice was a member of the Board of Directors and was involved in other statewide educational organizations. Edward actively supported the College but dedicated his life to a flower business that he began. For this reason Diane thought a flower garden would be appropriate and fitting for the memory of parents who so loved flowers. Because the Humphreys gave of themselves in many ways to the College, a charitable trust was established that eventually lead to helping with the renovation of the library.

Speakers at the dedication including Diane Humphreys-Barlow, Ellie Morrow, Jenny Cummings, Dr. Harry Howard, and Richard E. Ragsdale spoke of the contributions of this family, as well as of the importance of giving to the College. Upon the dedication of the area, Dr. Gibson declared the start of the 175th year, and the anniversary celebration had begun.

Homecoming '93 -

"Renew, Relive and Remember"

A strong tradition of Maryville College has always been the Homecoming festivities. This year as a part of the festivities, the football stadium was renovated and dedicated as the Lloyd L. Thornton Stadium. The selection of the court and the crowning of Jenni McCafferty as Queen marked another Homecoming tradition as we "Renew, Relive and Remember."

Top Right: Jason Reed, the maSCOT, dressed in a kilt, yells at the top of his lungs to get the crowd involved.

Bottom Left: Coach Randy Lambert honored Lloyd L. Thornton for his donations given to the renovation of the football stadium.

Bottom Right: Jenni McCafferty from Cincinnati, Ohio is a Chemistry major with minors in Spanish and Biology. Along with being a Presidential Scholar and President of the Senate, she was crowned 1993 Homecoming Queen.

The Alma Mater

Where Chilhowee's lofty mountains,
Pierce the Southern Blue,
Proudly stands our Alma Mater,
Noble, grand, and true.

As thy hilltop crowned with cedars
Ever green appears
So thy mem'ry fresh shall linger
Through Life's smiles and tears.

Lift the chorus, wake the echoes,
Make the welkin ring!
Hail the queen of all the highlands!
Loud her praises sing!

CHORUS
Orange, Garnet, float forever,
Ensign of our hill.
Hail to thee, our Alma Mater,
Hail to Maryville!

DORM LIFE CANDIDS

Preface

Maryville College is related to the United Presbyterian Church in United States of America in a voluntary covenant. The College community, in the name of Jesus Christ, seeks to challenge all human beings to search for truth, to work for just ice, to develop wisdom, and to become loving persons. To amplify noble ideals, the student body has developed its own covenant. The student covenant symbolized the fusion of basic values and ideals that people of all beliefs share.

The heart of the covenant lies in commitment, top integrity, responsibility of global citizenship, and appreciation of diversity. Individuals of high ethical standards do not lie, cheat or steal. They realize their responsibilities as members of the global community and are diligent in fulfilling them. They recognize that tolerance implies no lack of commitment for their own beliefs; rather it condemns the oppression of persecution of others.

The covenant began as an idea in the Student Senate in 1990. Today it is a reflection of the values and ethics of the Student body. As those ideals change, so will the covenant.

Maryville College Covenant

Maryville College is a community for learning that challenges students to grow in academic competence, personal and social maturity, and spiritual discernment and commitment. As scholars, we strive to maintain a high level of academic integrity. As young adults, we struggle to grow into responsible global citizens. As members of a spiritual community, we continue to develop a strong awareness of our individual faith while fostering a sensitivity understanding of all faiths.

This covenant was developed and is maintained by the student body. Our community has an obligation and responsibility involving relationships and mutual understanding, appreciation, and respect. With this in mind, I, entering into a covenant with all other members of the Maryville College community, vow:

-to pursue lifelong goals of education and scholarship;

-to encourage and support my fellow students as they aspire to be honest in their academic endeavors, as well as their personal relationships;

-to respect each member of our community for his/her individuality regardless of race, gender, religion, national or ethnic origin, socio-economic background, philosophy, or affectional preference;

-to act with integrity in all interactions-academic, personal, and beyond;

-to respect the rights of others be they property, privacy, opinion, or expression;

-to perpetuate sound moral and ethical values in my dealings with the Maryville College community and the global community.

Upholding these standards is vital to my continued growth as a person. I realize that nothing is produced by those from whom nothing is expected and recognize that constantly challenging myself to become a better person is the only way to achieve that end.

You will be missed

Victor and Sallie Schoen

Her hands tickled the ivory keys
And caressed the black ones as well.

Thousands of notes and measures
Caught in her mind, remembered like
the names of favorite children.

She played as though God Himself
commanded her to share the gift
she'd been given.

She played as though possessed by
the Devil himself, driven to teach to
the many

And when she through, her perfor-
mance was beautiful.
A song sung by many voices.

And the song never ends . . .

Sallie, my heart is crying.

We appreciate you!

Bobby Smith

Robert E. "Bobby" Smith was killed in a 3-person car accident in the early hours of July 21, 1993 in Winchester, Tennessee. He had just completed his freshmen year at MC. Bobby was a biology major and had plans of going to medical school. Jay Clark, his roommate during his fall semester says, "Bobby was always crazy and taking risks - living on the edge. But he was a nice and caring guy, and he cared for other people's feelings. Bobby never took his friends for granted."

Sallie Schoen

Sallie Schoen, a long- time professor of music at Maryville College, died in April 1994. Sallie and her husband, Victor, were planning to retire together from the college at the end of this school year before this tragedy struck. Both have served at the college for over twenty years. Sallie was a talented musician and professor who had a distinguished career at Maryville College and looked forward to a retirement that was cut short by her death. Sallie was loved by her students and will be missed by both faculty and students alike.

Pray for Me

"Here is where the road divides
Here is where we realize
The sculpting of the Father's design
Thru' time you've been a friend to me
But time is now the enemy
I wish we didn't have to say goodbye
But I know the road He chose for me
Is not the road He chose for you
So as we chase the dreams we're after

CHORUS
Pray for me and I'll pray for you
Pray that we will keep the common ground
Won't you pray for me and I'll pray for you
And one day love will bring us back around again

Painted on our tapestry
We see the way it has to be
Weaving thru' the laughter and the tears
But love will be the tie that binds us
To the time we leave behind us
Memories will be our souvenirs
And I know that thru' it all
The hardest part of love is letting go
But there's a greater love that holds us

I know love will bring us back around again"

As I sit to type this editor note, I can't believe that the time has come to write this. Finally, r senior thesis, comps, college, and now yearbook are all completed. There was a time, I take that bac most of this year, I saw all the things that I had to complete and it seemed as big as my mound of laundry. Wow! It is finally done. Many thanks are in order. Thank you to my assistant editors, An Lee and Luciana Graves for your undying efforts to help make this a great book. Special thanks to Amy for your late nights working on layouts, tagging, indexing, and "where is ....?" Thank you to tl rest of the yearbook staff who stayed with the group through thick and thin. Another special thanks Treva Lewis who went above and beyond the call of duty as a volunteer staff and who has decided t take the editor position for next year (Good luck - don't ever give up!). Thanks to Jeff Gary for you encouragement and help as the advisor for the yearbook when you were learning the ropes also. Another thanks to Lawrence Mills, Herff Jones representative, for being concerned with our book ar especially for the deadline extension (whew!). Also thanks to the Daily Times for their incredible action shots and Marc Hall for his b/w photos (thanks for the lessons too!).

To all my friends that I have had here at Maryville College, who have stuck by me through n many trials and tribulations, thanks. To the friends that I have grown apart from for many different reasons, as Wayne Watson would say, thank you for "a season in your path." And to all the faculty and staff, thank you for the wonderful memories that I will cherish for the rest of my life. Finally, I thank God, my Heavenly Father, who has been with me through my rocky times and will continue t be with me as I enter Union Theological Seminary to pursue His call. To everyone at MC, best wishes and God bless!
